The Oyster Shack Sauvignon Blanc...

Every year we search for the very best value wine that we can find that best suits the dishes that we serve. This year we have found a brilliant southern French producer, whose fresh and vibrant Sauvignon simply blew us away. We love the fact that our list is so diverse, and that our customers buy from across the range; but sometimes it is reassuring to have a wine that everyone round the table will like; we believe this wine is it and hope that you enjoy it as much as we do!
